COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This Collective Bargaining Agreement hereinafter referred to as "Agreement," is made and entered into between LOCAL 20, SERVICE EMPLOYEES INTERNATIONAL UNION, hereinafter referred to as the "Union", and the COUNTY OF COOK, hereinafter referred to as the "Employer" or "County."

ARTICLE I Recognition

Section 1.1 Representative Unit:

The County recognizes the Union as the sole and exclusive representative for all employees of the County at Cook County Hospital and Cermak Health Services in the job classifications set forth in Appendix A of this Agreement, except those employees working less than twenty (20) hours per week and excluding all office employees, technicals, professionals, supervisors and all other employees.

Section 1.2 Union Membership:

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

The County shall grant the Union thirty (30) minutes at the end of the orientation of new employees to present the benefits of union membership, at which time the Union may give the employees a copy of this Agreement.

The County and Union agree to communicate monthly regarding the time and place of the orientation. A steward designated by the Union shall be given reasonable notice of the orientation and he/she shall also be released with pay for such purpose.

Section 1.3 Dues Checkoff:

The Union has established a political action committee which is called SEIU COPE. Union members may contribute voluntarily to this committee to support the political activities of the Union.

The Employer agrees to deduct the contribution amount established by the committee per pay period from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded in a separate check thirty (30) days after the close of the pay period for which the deductions are made.

Section 1.4 "Fair Share":

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.
2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the Fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5 Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to

pay an amount equal to their fair share of Union dues, as described in Section 1.4 of this Article, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.6 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

Section 1.7 Fair Representation:

The parties agree that classifications and units of unrepresented employees shall be free to communicate with and to choose or not choose representation by the Union. Such a choice shall be made consistent with the Illinois Labor Relations Act and in accordance with the procedures established by the Illinois Labor Relations Board.

ARTICLE II

Declaration of Purpose and Authority of the County

Section 2.1 Community Interest:

The parties acknowledge the interest of the general community in the medical care offered by the Hospital and its employees, and declare their intent that this humanitarian service shall not be interrupted by reason of any dispute or disagreement among the Union, the Hospital or its employees. The purpose of this Agreement is to establish and maintain harmony and cooperation between the Hospital and the employees by setting forth the complete understanding between the County and Union with respect to wages, hours and other terms and conditions of employment of such employees, and to provide an orderly procedure for the prompt and fair disposition of any grievances that might arise, thereby assuring patients at the Hospital that, with the flexibility in the use of Hospital personnel provided herein, they will receive efficient and uninterrupted care at all times.

Section 2.2 County Authority:

For the purpose of assuring the maintenance of efficient and uninterrupted medical care, and recognizing that all functions of the Hospital are integrally related to such care, the parties agree that the County shall have full right and authority to manage all functions of the Hospital and to direct its employees, except as such rights are specifically limited by this Agreement. These rights include, but are not limited to, the right to manage the business of the Hospital; to determine standards of patient care; to develop and use new methods, procedures and equipment; to train employees; to decide whether to purchase or use its own personnel; to direct the working force; to determine the schedules and nature of work to be performed by employees, and the methods, procedures and equipment to be utilized by the employees in the performance of their work; to eliminate, consolidate and develop new classifications, operating units and departments; to achieve the highest level of employee performance and production consistent with safety, good health and sustained effort; to make and enforce reasonable rules of conduct and

regulations; to hire, lay off, promote and transfer employees; to discipline or discharge employees for just cause; to utilize employees wherever and however necessary in cases of emergency, or in the interest of patient care or the efficient operation of the Hospital; and to maintain safety, efficiency and order in the Hospital. The exercise or non-exercise of rights hereby retained by the County shall not be construed as waiving any such right, or the right to exercise them in some other way in the future.

The Union recognizes that this Agreement does not empower the County to do anything that it is prohibited from doing by law.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the employer.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4 Union and County Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The party requesting the meeting shall prepare a written agenda one (1) week prior to meeting if so asked by the other party. The Union and County shall each designate not more than five (5) representatives to a labor-management committee for this purpose. Both parties agree that prompt responses to issues raised in these meetings are of primary importance. Therefore, the time frame by which responses shall be provided to issues raised in these meetings will be determined by the designated representatives.

Section 2.5 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

Section 2.6 Employee and Management Obligation:

The parties recognize that there may be reasonable differences of opinion as to whether a particular work assignment to an employee is within a specific limitation of this Agreement. It is agreed that in such instance the employee shall comply with the assignment and shall then utilize the grievance procedure, if necessary, to settle the difference.

ARTICLE III **Hours of Work and Overtime**

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Regular Work Periods:

The regular work day for all employees except Certified Nursing Assistant, Patient Care Attendant and Ward Clerk shall consist of eight (8) hours, including a paid forty five (45) minute lunch break and one (1) paid fifteen (15) minute break. The regular pay period shall consist of two (2) regular work weeks.

Section 3.3 Overtime Pay:

An employee shall be paid one and one-half (1½) times the average of the employee's regular hourly rate (including any shift differential) for all hours worked in excess of eight (8) in any regular work day, or over eighty (80) in any regular pay period. Daily overtime pay shall not be paid for excess hours worked on any day because of a change in an employee's schedule, if the employee is free from all duty for at least eight (8) hours after completing his/her first eight (8) hours of work that day. The County will continue its present pattern of not ordinarily scheduling more than five (5) consecutive work days with consecutive days off.

Paid vacation time and holiday time, including a compensatory day off, as defined in this agreement, shall be considered as time worked for the purposes of computing overtime. Time spent on jury duty shall be considered as time worked for overtime purposes.

Section 3.4 No Duplication of Overtime Pay:

There shall be no pyramiding or duplicating of overtime pay. Hours compensated for at overtime rates under one (1) provision of this Agreement shall be excluded as hours worked in computing overtime pay under any other provision.

Section 3.5 Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The County will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs, and who normally and customarily perform the

work involved, except that in cases of emergency the County may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any reason does not receive a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Hospital will, when the matter is called to its attention, give preference to such employee with respect to future overtime assignments for which he/she would be normally eligible until a reasonably fair balance in the overtime distribution is re-established. The Hospital shall maintain such records as may be necessary to establish the overtime hours worked by each employee, which records shall be available for inspection by the Union.

Section 3.6 Rest Periods:

Employees working a shift of eight (8) or eight and one-quarter (8 1/4) hours will be granted two (2) rest periods of ten (10) minutes each. Employees assigned to work overtime for a continuous period of four (4) hours or more beyond their regular work day will be granted an additional rest period of ten (10) minutes, and employees assigned to work overtime for a continuous period of eight (8) hours or more beyond their regular work day will be granted two (2) additional rest periods of ten (10) minutes each. "Heat breaks" will be granted to elevator operators, transporters, environmental service workers and food service workers who are passing trays when, in the opinion of the Department Director, the temperature in these employees' work areas requires an additional break or breaks. The Department Director shall schedule the break or breaks in accordance with operational needs. Part-time employees who work six (6) hours shall be entitled to two (2) breaks of fifteen (15) minutes.

The number and length of rest periods presently granted at each institution shall remain in effect, except that if a lunch period is forty-five (45) minutes or less, employees will be given a break period if a break period is not already granted.

Where two (2) break periods are allowed, it is understood that one (1) break shall be granted in the first four (4) hours of work but no earlier than the first two (2) hours worked, and the remaining break period shall be in the second four (4) hours of the shift, provided that when due to operational needs, it is not possible to provide the employees with their breaks, the employees shall receive a lunch period of one (1) hour.

Employees assigned to work overtime for a continuous period of four (4) hours or more beyond their regular work day will be granted an additional rest period of fifteen (15) minutes. Employees assigned to work overtime for a continuous period of eight (8) hours or more beyond their regular work day shall receive two (2) rest periods of fifteen (15) minutes and a forty-five (45) minute paid lunch period.

Section 3.7 Rotation of Duty:

Except for employees who request weekend work, the number of weekends off work shall be scheduled to be as equal as possible among employees within each scheduling period. A weekend is defined as beginning with the night shift Friday and continuing through the evening shift Sunday.

The parties agree to study the issue of rotation from permanent assignment in the Professional Committee within sixty (60) days of ratification of the Agreement.

Health Care Professionals may have areas of specialization and expertise to which they are assigned. Whenever possible, professional career interests should be taken into account by management.

Section 3.8 Employee Health Service:

Employees incurring any occupational illness or injury shall be paid for time spent during their regular work day at the direction or request of the Hospital in obtaining medical care from Employee Health Service. Employees incurring non-occupational illness or injury during their regular work day shall be paid for time spent at the direction or request of the Hospital in obtaining emergent and urgent care from Employee Health Service, but shall not be paid for time spent thereafter in obtaining follow-up, long term or in-depth care from Employee Health Service or their private physician or health facility. Employees taking physical exams or obtaining clearances in return to work after a non-occupational illness or injury shall be paid for time so spent during the regular work day at the direction or request of the Hospital.

Section 3.9 Flex Time:

Requests by employees for flextime schedules may be granted if practicable to do so. The scheduling of flextime shall be by mutual arrangement between the employee and his/her supervisor. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

Section 3.10 Provident Hospital:

The County shall establish work schedules two (2) pay periods in advance where they are normally and customarily used, the schedules shall be posted in the employee's department. After the work schedule has been posted changes shall be made only for legitimate hospital operations. Employees whose schedules are changed shall normally be notified at least seven (7) days in advance of the change. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

Employees may switch work shifts and days off either temporarily or permanently with approval from their department head or designee. The department head or designee shall respond to the requested change within seven (7) days of receiving the employee's written request.

Employees will not be required to be involved in developing policy manuals and will not be held responsible for the policy manual.

Section 3.11 Schedules:

The County shall establish work schedules one (1) pay period in advance where they are normally and customarily used, the schedules shall be posted in the employee's department. After the work schedule has been posted changes shall be made only for legitimate hospital operations. Employees whose schedules are changed shall normally be notified at least seven (7) days in advance of the change. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

Employees may switch work shifts and days off either temporarily or permanently with approval from their department head or designee. The department head or designee shall respond to the requested change within seven (7) days of receiving the employee's written request.

ARTICLE IV Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be ninety (90) calendar days. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any lawful reason, and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of most recent hire.

Section 4.2 Definition of Seniority:

Seniority is an employee's length of most recent continuous employment at the Hospital since his/her last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V, Section 5.5. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Promotion, Transfer, Layoff and Recall:

In cases of promotion and transfer, employees shall have first preference in order of their seniority, as hereinafter provided in this Section, provided that the employee has the ability and fitness to perform the required work. When ability and fitness to perform the work are relatively equal, then seniority shall govern on promotions, transfers, recalls and layoffs for all but layoffs of five (5) days or less. In cases of layoff or recall for a period in excess of five (5) calendar days, employees shall be laid off in inverse order of seniority and recalled in order of seniority; provided, however, that the Hospital may retain a less senior employee if there is no employee with greater seniority who has the ability and fitness to perform the required work.

Section 4.4 Reduction in Work Force:

The Union and the County agree that security in employment becomes relatively more important as employees increase their service at the Hospital. Should the County find it necessary to decrease the number of employees working within a job classification, the County shall give written notice of a general nature to the Union at least three (3) weeks prior to the effective date of layoff of employees, except when a layoff of five (5) days or less is made under Section 4.3 of this Article, in which case no notice need be given before or after such period. During that interim period the County will meet with the Union to discuss any alternatives to the layoff of employees. Prior to the layoff of any bargaining unit employees the County shall first layoff all temporary and probationary County employees. Employees in the affected classifications shall be initially selected for layoff in accordance with Section 4.3, and shall be given notice thereof at least two (2) weeks prior to the effective date, except when a layoff of five (5) days or less is made under Section 4.3 of this Article, in which case no notice need be given before or after such period.

An employee so selected shall be transferred to any other classification in which there is a vacancy, or which is filled by another employee who has not completed his/her probationary period, or, if neither such situation exists, the employee so selected shall be permitted to exercise bumping rights, all in accordance with Section 4.3 of this Article, as follows:

- In Non-ACHN: First within the Department/Division, then Division/Department, then the Facility and then throughout the Bureau of Health
- If ACHN: First within the Clinic, then the Region and Hub facility, then throughout the Bureau of Health

To the extent that it is consistent with the efficient operation of the Hospital and the seniority of the employees, those employees initially selected for layoff will be transferred to positions on the same shift as that worked by them immediately prior to being selected for layoff. Employees not having the right to be transferred to any job shall be laid off, and employees initially selected for layoff may accept it in lieu of any transfer as herein above provided. Employees laid off as a result of this procedure shall be subject to recall in accordance with the provisions of Section 4.3 of this Article before hiring new employees. Employees will be recalled to the classification held by them at the time of the layoff, if a vacancy exists. Employees otherwise will be recalled to a vacancy in another classification, and subsequently returned to their classification prior to the layoff, all in accordance with Section 4.3 of this Article. Employees may refuse recall to a classification other than that from which they were laid off.

Section 4.5 Promotion and Shift Assignment: Non-ACHN:

Vacant positions shall be posted concurrently on all posted boards in the Bureau of Health for a period of fourteen (14) days. Preferential consideration shall be given in accordance with Section 4.3 of this Article to employees in the bargaining unit in an equal or lower pay grades or

classifications from within the Department/Division, then within the Hub Facility and Region, then other Hub Facilities/ACHN and finally the Bureau of Health before new employees are hired for the vacancy.

Employees in higher paying classifications may make application and will be considered by the Hospital for transfer to a lower paying classification. In assigning employees to a different regular shift, where no employee applies for the vacant shift assignment, the qualified employee in the classification and in the department or division with the least seniority shall be so assigned. In assigning employees to a different shift on a temporary basis, consideration shall be given to seniority and the employee's desires. Management agrees to interview all applicants from the bargaining unit who possess minimum qualifications to be considered for the open position. Any bargaining unit employee who submits a job bid but who does not, in the opinion of management, possess the minimum qualifications to perform the job shall receive a written notice that they shall not be interviewed for this position.

Section 4.6 Promotion and Assignment: ACHN:

A. ACHN - Fantus

Vacant positions shall be posted concurrently on all posted boards in the Bureau of Health for a period of fourteen (14) days. Preferential consideration shall be given in accordance with Section 4.3 of this Article to employees in the bargaining unit in an equal or lower pay grades or classifications from within the region and JSH (Hub facility), then the other Hub Facilities and ACHN, and finally the Bureau of Health before new employees are hired for the vacancy.

Employees in higher paying classifications may make application and will be considered by the Hospital for transfer to a lower paying classification. When an employee requests in writing a different regular assignment within his/her department and current job classification, a notation or record shall be kept by the department head. While these assignments within a department and classification are strictly the decision of management consideration should be given whenever reasonably possible to senior employees desiring specific job assignments. The Hospital agrees to interview all qualified applicants from the bargaining unit and a response to an application shall be given thirty (30) days after the application process closes. Grant positions will be posted the same as all other positions.

B. ACHN - Other than Fantus:

Vacant positions shall be posted concurrently on all posted boards in the Bureau of Health for a period of fourteen (14) days. Preferential consideration shall be given in accordance with Section 4.3 of this Article to employees in the bargaining unit in an equal or lower pay grades or classifications from within the clinic, then the Hub Facility and region, then other hub facilities/ACHN, and finally the Bureau of Health before new employees are hired for the vacancy.

Employees in higher paying classifications may make application and will be considered by the Hospital for transfer to a lower paying classification. When an

employee requests in writing a different regular assignment within his/her department and current job classification, a notation or record shall be kept by the department head. While these assignments within a department and classification are strictly the decision of management, consideration should be given whenever reasonably possible to senior employees desiring specific job assignments. The Hospital agrees to interview all qualified applicants from the bargaining unit and a response to an application shall be given thirty (30) days after the application process closes. Grant positions will be posted the same as all other positions

Section 4.7 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the County to his/her former job or an equivalent position, within ninety (90) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and fitness to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to his/her former job within five (5) calendar days after commencing work on the new job.

Temporary assignments of such employees to the day shift shall not affect their right to receive such shift differential as part of their vacation pay.

Section 7.5 Vacation Preference and Scheduling:

Insofar as practicable, vacations will be granted to meet the requests of employees, and seniority will control conflicts in scheduling vacation periods. However, to insure the orderly operation of the Hospital and in the interest of patient care, the right to limit the number of employees who will be permitted to be on vacation at any one time is reserved by the County.

It is understood that while requests for emergency vacation cannot be automatically granted in every instance such requests should not be automatically denied as a matter of routine Hospital function. Other vacation requests will be granted, consistent with the number of employees who will be permitted to be on vacation at any one time. The County may change an employee's scheduled vacation when emergencies occur, after due consideration for inconvenience and cost to the employee. Requests for emergency vacation are not to be denied solely in order to place employees in "O" status as a punitive measure.
